

Adult Formation

The General Directory for Catechesis, which is a publication from the Vatican through the bishops, instructs us that Adult Faith Formation is to be a primary focus in each church. It is the ongoing formation that enables the adults to be a better example for the children as well as for others in the community. It is the basis for all other catechesis in the parish. We will be presenting different opportunities for Adult Formation throughout the year, which will be offered & detailed in our parish bulletin.

Bible Study & Book Club:
