Community Service for 7th & 8th Grade

Service is an important way to help us understand how Jesus wants us to live. When we are a help to someone else, there is something that happens inside of us that lets us know we have shown a little of Jesus to others.

We are asking 7th and 8th graders to take part in the “Giving and Growing” service project program. This program consists of five sessions. The first will be a talk and discussion on the importance of works of charity as Christians. The next three will be service projects done together. The fifth session will be a time to discuss and share personal experiences from the service projects. It is important to attend these sessions as they are a requirement for the Confirmation program.

NOTE: If your child has not made their Confirmation and is past eighth grade—or—if you are an adult, have received your other sacraments, and wish to receive the sacrament of Confirmation, please call the director, Emilija Lapas, at 924-4220.
